## 1. Introduction

This document contains details on the proposed agenda of the second audit of OneFIT (audited period: 01.01-30.06.2011), which will be held in Brussels on the 16<sup>th</sup> of September 2011, from 09.00 to 18.00, at the Avenue de Beaulieu Building 25, in Brussels, Belgium.

The audited period from January to June 2011 refers to the technical progress of the Project. Financially the figures will be presented cumulatively for the first year of the Project (July 2011 to June 2011).

The audit will include slots for hearing including questions and discussions, a session that includes the OneFIT demonstration, and a final "Questions and Answers" session.

On the hearing-based session there are planned, from OneFIT side, the following participants:

- Panagiotis Demestichas, University of Piraeus (UPRC), Greece – Project Coordinator (PC)
- Jens Gebert, Alcatel-Lucent (ALD), Germany – Technical Manager (TM) and WP2 Leader
- Marcin Filo, EIT+ Wroclaw Research Centre (EIT+), Poland – WP3 Leader
- Oriol Sallent, Universitat Polytechnica de Catalunya (UPC), Spain – WP4 Leader
- Markus Mueck, Intel Mobile Communications (IMC), Germany – WP5 Leader
- Seiamak Vahid, University of Surrey (UNIS), UK – WP6 Leader
- Oscar Moreno, Telefonica Investigacion y Desarrollo S.A. Unipersonal (TID), Spain – Partner representative
- Stefane Pega, Thales Communications S.A. (TCF), France – Partner representative
- Christian Mouton, NEC Technologies UK (NTUK) – Partner representative
- Miia Mustonen, VTT Technical Research Centre of Finland (VTT), Finland – Partner representative
- Milenko Tasic and Ognjen Ikovic, La Citadelle Inzenjering (LCI) – Partner representatives
- Paul Bender, Bundesnetzagentur für Elektrizität, Gas, Telekommunikation, Post und Eisenbahnen (BNetzA), Germany – Partner representative

The additional team that will be involved in the demonstration session is: Vera Stavroulaki, Nikos Koutsouris, Andreas Georgakopoulos and Dimitris Karvounas (UPRC).

The next section contains the agenda of the audit.

## 2. Agenda

Note: In each WP slot there is the assumption that there will be 25-30 minutes of presentation followed by 15-20 minutes of questions and answers specific to the WP. The last questions and answers session is dedicated to overall project aspects or to further clarifications.

Time	Title	Presenter
09.00-09.30	OneFIT Project Overview	P. Demestichas
09.30-10.15	Business aspects, requirements and technical challenges, evolution of functional and system architecture	J. Gebert
10.15-11.00	Control channels for the cooperation of the cognitive management systems	M. Filo
11.00-11.45	Algorithms for enabling opportunistic networks	O. Sallent
11.45-12.30	Dissemination, Standardization, Regulation, Exploitation, Training	S. Vahid
12.30-13.30	Lunch Break	
13.30-14.15	Integration, experiments and validation	M. Mueck
14.15-15.30	Demonstration	Demo team
15.30-16.00	Administration, Budget	P. Demestichas
16.00-17.30	Questions and Answers Session	

### **3. Requirements for demonstrations**

This session will comprise the demonstration for the period from January to June 2011 (01.01-30.06.2011). The requirements as identified by the demos are presented in the following list:

General Requirements:

- 1 room capable of accommodating 10 people, 10 laptops, 2 WLAN access points, 10 power supply sockets

### **4. Conclusions**

This document presented the details on the proposed agenda of the second audit of OneFIT (audited period: 01.01-30.06.2011), which will be held in Brussels on the 16<sup>th</sup> of September 2011.

The audited period from January to June 2011 refers to the technical progress of the Project. Financially the figures will be presented cumulatively for the first year of the Project (July 2011 to June 2011).
